N.B. Only 1 deposit is required per family. Deposits are refundable on leaving the nursery, provided four weeks notice has been given in writing. If a child leaves the nursery or reduces his/her attendance four weeks notice in writing is required and if four weeks notice is not given a term's fees (or an appropriate proportion in the case of a reduction in attendance) will be payable. Fees are due four weeks before a place is taken up. Fees include Christmas and Easter closure and all Bank Holidays and are calculated on a 52 week basis. Fees are revised each year in March. Outings and extra curricular activities are extra and invoiced separately.

We are a registered "OFSTED" day nursery and do accept child-care and nursery vouchers.
